Notice of English-only and online publication of the Journal of UOEH

We are pleased to announce that the Journal of UOEH will change to an English-only and online Journal in June, 2024.

“Journal of UOEH” has been published in a mixed Japanese-and-English format since its launch in March, 1979. The print version will be discontinued in June, 2024 with Volume 46, No. 2, when it will transition to an online journal as a completely English journal.

We apologize for any inconvenience. The online version is available as below:
