

<2025 [4th News]> Bangkok Dusit Medical Services (BDMS) visited UOEH (Posted on February 25, 2025)

On Monday, February 17, 2025, Dr. Kongkiat Kespechara, CEO of BDMS group 3 and three other members from BDMS, Thailand visited UOEH. We introduced our institutions to each other, also had a meeting and discussed possible collaboration activities. The delegation participated in the campus tour together with the Thai participants of the Group Training Program, which commenced on the same day. We look forward to our collaborations in the near future.

Visit to Artificial Climate Chamber

Visit to Anechoic Chamber

Together with the Thai participants for Group Training Program
