UOEH sent eighteen medical students who are in their sixth year to four universities in Korea, Taiwan and Thailand from June 16 to 29 on the Medical Education Exchange Program 2024 based on the MOU with each university. This program has been called off since 2020 due to Covid-19, but finally it was decided to resume from this year. Students participated in the clinical training at hospitals with the local students as well as cultural exchange events during the period. They greatly appreciate this opportunity and the hospitality kindly offered by the universities.

Universities and numbers of students dispatched are as follows:

- <Korea> Wonkwang University (5), Kosin University (3)
- <Taiwan> Mackay Medical College (4)
- <Thailand> Thammasat University (6)

Thammasat University, Thailand
