UOEH sent fifteen medical students who are in their sixth year to three universities in Korea, Taiwan and Thailand from June 15 to 28 on the Medical Education Exchange Program 2025. This program has been implemented based on the MOU with each university. UOEH students participated in clinical training at affiliated hospitals with the local students as well as cultural exchange events during this period. We would like to express our sincere appreciation for this opportunity and the hospitality offered by the universities.

Universities and numbers of students dispatched are as follows:

- <Korea> Wonkwang University (5)
- <Taiwan> Mackay Medical College (5)
- <Thailand> Thammasat University (5)
