

<2025 [14th News]> International Center was awarded Chairperson's Commendation (Posted on Aug. 12, 2025)

On July 29, the International Center, together with the Institute of Industrial Ecological Sciences (IIES) and the Research Support Section of University Administrations Department, received Chairperson's Commendation in the recognition of contributions to internationalization and academic advancement of UOEH. These contributions include long-standing activities such as WHO Collaborating Center since 1988, the conclusion of MOUs with overseas institutions, hosting International Symposium as well as various support for international students.

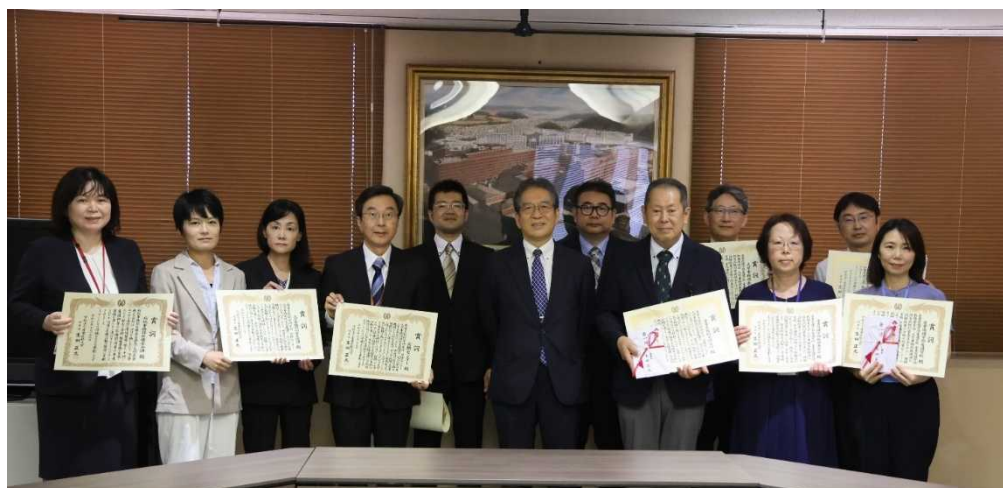

The Chairperson's Commendation is an award presented with the aim of invigorating organizational activities and boosting staff morale. It is conferred upon organizations or groups that have made significant contributions in either of the following areas:

1. Improvement in the administration and management of the university
2. Enhancement of the university's honor and reputation

We would like to take this opportunity to express our sincere gratitude to all individuals and organizations, both within and outside of UOEH, who have supported the activities of the International Center. We remain committed to promoting international cooperation and exchange and will continue our efforts to contribute to further advancement.
