

<2025 [16th]> Daegu Catholic University visited UOEH (Posted on Sept. 22, 2025)

From August 25 to 28, 24 students and 3 accompanying faculty members from Daegu Catholic University in Korea visited UOEH. Together with students from our School of Health Sciences, they participated in the Special International Seminar on Occupational Health.

During the seminar, students gave presentations in English about student life in their respective countries, while faculty members also delivered research presentations. They visited Shabondama Soap Co., Ltd. and the Yahatanishi Fire Department, deepening their understanding of work environments in Japan. They also toured Kitakyushu Museum of Natural History and Human History among other places, making the visit a meaningful opportunity for international student exchange.

Students' presentation

Visit to Yahatanishi Fire Department

Visit to
Shabondama Soap Co., Ltd.

Welcome reception
