

<2025 [23rd]> Assoc. Prof. Lee Seunghyun, National University of Busan visited UOEH (Posted on Dec. 18, 2025)

On Friday, November 14, Associate Professor Lee Seunghyun from the National University of Busan, Korea, visited UOEH. Her visit included a courtesy call on President Ueta and discussions regarding future inter-university exchange activities.

Assoc. Prof. Lee met with President Ueta, Vice President Seichi Horie (Director of the International Center), and Prof. Tomohiro Ishimaru (Deputy Director of the International Center). They held a fruitful discussion and exchanged ideas for collaborative activities between two institutions.

Assoc. Prof. Lee, who obtained her degree at UOEH and is now active researcher in her home country. We are looking forward to collaborating with our alumni in the near future.

With Prof. Lee
