

<2026 [5th News]> The Philippine College of Occupational Medicine visited UOEH (Posted on March 18, 2026)

On Monday, February 2, 2026, a delegation of 9 members from the Philippine College of Occupational Medicine (PCOM), led by Dr. Edmyr Macabulos, Chair of the Specialty Board, visited UOEH. On this occasion, PCOM and UOEH introduced their institutions to each other, and the delegation participated in a campus tour. Following the tour, we held a meeting during which the PCOM representatives expressed strong interest in learning about the Japanese system for training occupational physicians. We plan to continue our dialogue and communication as we explore possibilities for future collaboration.

PCOM delegation

Campus tour together with the participants for group training program
