On Monday, January 26, a delegation of six members headed by Prof. Won-ho Cho, Dean of the College of Medicine, Pusan National University, Korea, visited UOEH to discuss academic exchange programs. The delegation met with Prof. Akinori Sakai, Dean of the School of Medicine and other relevant UOEH faculty members to discuss the implementation of student exchange programs in medical education. During their tour of the UOEH Hospital, they visited facilities such as student practice rooms with future exchange education in mind. Both parties confirmed that they will continue concrete discussions, including the conclusion of an MOU.
