

<2026 [16th News]> Assoc. Prof. Adolfo G. Cuevas (NYU) Delivers Seminar (Posted on Jun. 17, 2026)

On Tuesday, June 9, the International Center hosted a seminar welcoming Associate Professor Adolfo G. Cuevas from New York University, USA. Dr. Cuevas delivered a lecture titled “*Exposure to Unfair Treatment and Its Effects on Gene Expression and White Blood Cells*” and 25 (in-person/online) participants joined the seminar. The seminar was followed by an active exchange of ideas, providing a highly valuable opportunity for all participants.
